

Enrichment Workshops

Stand out from the crowd with our
ENRICHMENT WORKSHOPS

A Borough of opportunity

Seize your opportunity

Our Student Services Workshops are open to all learners. They are designed to help you get the most out of your time with us by supporting your learning, improving your skills, build your confidence and giving you the opportunity to meet new people. Our Enrichment Workshops are designed to support your professional development, working life, employment and vocational skills. These free workshops are essential for learners on our Childcare, Health & Social Care and Supporting Teaching and Learning courses. They are ideal continuous professional development workshops for anyone in the Public Service Sector, or great for anyone who has an interest in the topics.
